Wall Sconce With Kick

Individual in form and materiality, the Spoti Ball wall sconce is a playful, innovative and graceful at once. Carefully brought to life by artisan hands, the attention to detail in the craftsmanship of Spoti makes each light an enduring work of art.

The elegant orbs are made from mouthblown glass with either black or white spots that throw intriguing ocelot patterns across a wall when the Spoti ball is lit.

Spoti ball is removable for easy cleaning.
