Staff Collection
Wall Sconce

Distinguished by its solid brass staff, elongated proportions and fluid hook detail, the Staff wall sconce balances elegance and dramatics with an easy sensibility. As a focal point of the design, the long cylindrical porcelain shade features individually hand-etched inlay banding that, when lit, becomes translucent and provides a delicate, uniquely banded glowing light.

Lead time
8 - 10 weeks

Light source
240V, E14 small fancy round
(35W)

Dimensions
Overall
Height 950mm
Out from wall 310mm
Distance between screw lugs
470mm
