

Staff Collection  
Wall Sconce

Distinguished by its solid brass staff, elongated proportions and fluid hook detail, the Staff wall sconce balances elegance and dramatics with an easy sensibility. As a focal point of the design, the long cylindrical porcelain shade features individually hand-etched inlay banding that, when lit, becomes translucent and provides a delicate, uniquely banded glowing light.

**Lead time**  
8 - 10 weeks

**Light source**  
240V, E14 small fancy round  
(35W)

**Dimensions**
