ABOUT ICI

Inspired by Danish design, the ICI collection celebrates the artisanal beauty and fluid materiality of mouthblown glass.

Characterised by its organic bell-shaped form, each ICI piece is truly unique with the second application of molten glass adding individual nuances to each edition.

ICI's form comes alive when lit, casting delicate watery shadow effects on the surrounding walls.

ICI is available as a wall sconce and pendant. In both glass or porcelain shades.

LEAD TIME

6 -8 weeks

LIGHT SOURCE

12V, G4 2W LED bipin
2700K

INSTALLATION

Supplied with external driver

Requires driver/transformer
installation

Dimmable upon request
