

IC\_WS\_S\_L\_18V3

**ABOUT ICI**

Inspired by Danish design, the ICI collection celebrates the artisanal beauty and fluid materiality of mouthblown glass.

Characterised by its organic bell-shaped form, each ICI piece is truly unique with the second application of molten glass adding individual nuances to each edition.

ICI's form comes alive when lit, casting delicate watery shadow effects on the surrounding walls.

ICI available in wall sconce and pendant. In both glass or porcelain shades.

**LEAD TIME**

8 - 10 weeks

**LIGHT SOURCE**

12V, G4 1.5W LED (2700k)

Supplied with external driver (Hatch RS12-15M-LED 2.25x1.25x0.75)

Dimmable (Luxtron/Diva/CL)
