ABOUT ECLIPSE

Handsome and sophisticated, the Eclipse collection subtly explores the beauty of mouthblown glass. Through its understated form, the elongated shape of the Eclipse draws the eye to the textural contrast of the acid etch detailing on the mouthblown glass.

Thoughtful in form, the cylindrical glass shape of the Eclipse evokes a modern aesthetic that is further defined in the autumnal colour palette of shades such as smoke, grey and white.

The Eclipse shade is removable for easy cleaning.

LEAD TIME

8 - 10 weeks

LIGHT SOURCE

110V E12 (35W)
Small Fancy Round

Dimmable

INSTALLATION

Supplied with mounting plate to fit 4.0/3.5 Jbox

Escutcheons may be ordered to conceal Jbox openings where needed
