ABOUT SCANDAL

The unification of luxurious crafts exists through the Scandal Collection. Scandal casts a slim and finely considered silhouette. Notable for its barrel-like cuff and inlay Scandal's elongated proportions are capped end-to-end by rounded mouthblown glass that conceals the light source, exemplifying the quiet brilliance of artisanal glass and metalwork.

PLEASE NOTE

The illumination from the long side of this fixture is generally considered insufficient for task lighting, say above a workbench. This is a decorative light and should be supplemented with downlights where necessary.
