### ABOUT SLIM

Inspired by the sophisticated high life depicted in Slim Aaron's famed Palm Springs photography, 'Slim' reinterprets mid-century Californian modernism in architectural form and refined simplicity.

The arresting restraint of the Slim evokes effortless glamour. Its light source is housed within an elongated arch of mouth blown glass and framed in hand finished metalwork by local artisan's. When paired back to back, the arches of Slim transform into a 'Double Pendant', inlaid with brass and mid bronze, and crowned with a striking double suspension.
