ABOUT FINI

Inspired by refractions of light dancing on the horizon, Fini is a handcrafted solid glass rod encased in linear brass form.

Characterised by an uneven surface achieved through artisanal mouth-blown glass, Fini refracts light to create a dynamic luminescence that appears animated.

Available in two distinct finishes, Satin Frost is reminiscent of days when the clouds are low and any delineation between sky and horizon is blurred, while a Clear finish reveals the design's undulating texture, evoking warm summer days and a mirage of light glistening on the horizon.

LEAD TIME

6 - 8 weeks

LIGHT SOURCE

2 x 12VDC LED Board
500mA CC
2700K warm white
860lm total output

INSTALLATION

Supplied with external driver

WEIGHT

2.5kg

CERTIFICATION

CE/AU

WARRANTY

3 years

FITTING FINISHES

Brass (shown)
Mid Bronze
Satin Nickel

SHADE COLOURS

Clear (shown)
Satin Frost
