### ABOUT FINI

Inspired by refractions of light dancing on the horizon, Fini is a handcrafted solid glass rod encased in linear brass form. Characterised by an uneven surface, Fini refracts light to create a dynamic luminescence that appears animated.

The satin frost glass is reminiscent of days when the clouds are low and any delineation between sky and horizon is blurred, while the clear glass finish evoking warm summer days and a mirage of light glistening on the horizon.

### LEAD TIME

6 - 8 weeks

### LIGHT SOURCE

2 x 4.2W LED Board 350mA CC  
2700K warm white  
800lm total output  
Dimmable

### INSTALLATION

Supplied with external driver

### WEIGHT

2.5kg

### CERTIFICATION

CE/AU

### WARRANTY

3 years

### FITTING FINISHES

Brass  
Mid Bronze  
Satin Nickel  
Black Electroplate

### SHADE COLOURS

Clear
